PAMinSA VI
VI Paleopathology Association Meeting in South America
Buenos Aires - Argentina – 12 a 14 Agosto de 2015

“10 Years of PAMinSA. Updates and Perspectives on South American Paleopathology”

THIRD ANNOUNCEMENT

Dear colleagues:

The Organizing Committee of the VI Paleopathology Association Meeting in South America (PAMinSA VI) welcomes the wide reception of the call made for participation in this scientific meeting. In this announcement, we present new information regarding the activities that will be developed on **August 12, 13 and 14, 2015**. In addition, we inform about a post-congress workshop, discounts on accommodation and other news.

VENUE:

The meeting will be held two venues: the Auditorium of the National Bank of Argentina, located at Rivadavia Street 325, opposite the historic Plaza de Mayo, , and the Cultural Center "Paco Urondo" (Faculty of Philosophy and Letters, University of Buenos Aires), 25 de Mayo Street 201. Both sites are located in the downtown of the City of Buenos Aires, just 200 meters apart.

Buenos Aires - Argentina - 12 a 14 Agosto de 2015

LANGUAGES:

The Organizing Committee got the financial support needed to offer participants the simultaneous translation (English-Spanish and Spanish-English). In this regard, we encourage exhibitors to prepare Power Points both in their native language and in English, for greater interaction between attendees and better communication of the contents of each of the works. When mother tongue is English, it is suggested to prepare also a visual version of the text in Spanish. In this regard, we emphasize that we will provide two projectors to present both versions simultaneously.

SESSIONS:

The meeting will be divided as follows:

SIMPOSIA

Symposium 1. Interdisciplinary studies and current information in Paleopathology. Coordinators: Claudia Rojas-Sepúlveda (Colombia) and Douglas Ubelaker (United States). Speaker note: Karin Wiltschke-Schrotta (Austria).

Symposium 2. Advances, limits and problems of molecular, chemical and radiological analyses in the study of diseases in the past. Coordinators: Alena

paleopathological works on local and regional scales, so we encourage colleagues to hold this event, either in its next edition as in the following. As it is known the effort involved in these organizations, we suggest the conformation of international working groups, whose members will actively participate with the organization, particularly in the distribution of information and announcements, and in the receipt, evaluation and edition of the scientific contributions, among other tasks. We request you to forward this message to all colleagues interested in order to achieve the widest possible distribution.

WAYS OF COMMUNICATION:

We remain you the ways to access to the information about the meeting. Please, do not hesitate to contact us for any comment or suggestion.

INSTITUCIONAL ENDORSEMENTS

The VI PAMinSA received the academic endorsement of the Faculty of Natural Sciences and Miguel Lillo Institute of the National University of Tucumán. Also, this meeting was declared of Touristic Interest by the National Minister of Tourism. Both supports are added to the mentioned in the second announcement. Moreover, we are grateful to the Wenner Gren Foundation and Williams Foundation for the financial aid granted.

Kind regards,
